***This must accompany request or be on file in Biotechnology Center  
Business Office prior to service/request being completed.***

**Agreement.** The materials and/or services (Material) are provided to the Recipient Investigator (Recipient) by the University of Illinois (Illinois) for use by the Recipient in Recipient's laboratory for research purposes and not for Human Subjects, including diagnostic testing. Recipient must be fully compliant with U.S. Federal Animal and Human Subjects regulations, policies, and procedures in all aspects related to Material. Illinois makes no representations or warranties, express or implied, regarding its performance under this agreement. Illinois disclaims any warranty of merchantability, use or fitness for a particular purpose, and non-infringement of intellectual property rights with regard to the Material. Illinois shall not be liable to Recipient for indirect, special, consequential, punitive, incidental or other damages (including lost revenue, profits, use, of data or other economic loss or damage) however caused and regardless of theory of liability arising from or related to the Recipient's use of the Material, even if Illinois was advised of the possibility of such damage. Recipient will hold Illinois and its trustees, officers, employees and agents harmless from all liability, including costs, damages, and expenses, including attorney fees, arising from any claims or demands asserted by third parties in connection Recipient's use of the Material. This Agreement will be governed by and construed in accordance with the laws of the State of Illinois, U.S.A., without reference to its conflict of law provisions. All samples (cells, fluid, DNA, RNA, protein, peptide, chemicals, or other) furnished by Recipient to Illinois must not pose a biohazard or safety risk and be categorized at not greater than Biological Safety Level 1.

I agree and abide to this Agreement for Material (materials and/or services) from the University of Illinois
